This project involves the preliminary work needed to widen and re-construct the **US 41** southbound lanes between **Witzel Avenue** and **WIS 26**. Crews will widen and apply asphalt pavement to the inside and outside shoulders. In 2011, both northbound and southbound traffic will use this roadway while the existing northbound lanes are removed and completely re-constructed.

Traffic impacts:

- Periodic nighttime lane closures from 7 p.m. to 5 a.m.
